*Annika*<sup>TM</sup>  
 "SHARE MY PASSION"

Annika Sorenstam is considered the most dominant women's golfer of all time and has transcended her sport to become a prominent mainstream athlete and celebrity. Her storied career and legendary work ethic have changed the way women's golf is played, viewed and covered. Now that she has stepped away from competitive golf, she has carried that same passion for excellence over into the wines that bear her name.
